FROM THE PRINCIPAL….

Dear Parents,

End of School Year, Student Reports and other Matters
This will be the last newsletter for 2011 as next Thursday the 22nd December will be the final school day of this year. As I write this Newsletter I realise that it only seems like last week that I was welcoming people back to the start of the school year. It has been very busy, and overall a very successful school year for Wales Street. There have been many highlights both personal and collectively for students, from winning major sporting and achievement awards to those private little personal goals that help you grow as a person.

Next week on the Thursday there will be an early dismissal after a final outdoor assembly at the flagpole.

Parents and Guardians please note that the students will be dismissed at 1.00pm.

At the final assembly on Thursday there will be a farewell for Sherrill Libreri as a member of the Wales Street teaching staff. Sherrill was first appointed to Wales Street at the beginning of the 1993 school year and has been an outstanding teacher and contributor to this school over the past 18 years. On behalf of the Wales Street school community I would like to thank Sherrill for not only her outstanding work and whole hearted support for both myself and other staff but also for her wonderful artistic skills and inspirational ideas. It was Sherrill who was the inspiration behind “Celebrating 120 Years of Music at Wales Street”. Personally I will greatly miss her knowledge and wisdom; however, she leaves behind a wonderful legacy. Congratulations and thank you Sherrill. Other staff who will not be returning next year include Anna Pham (integration), Lesley Oxley (1/2 teacher) and Steffanie Ioannidis (Administration). I would like to thank them for contribution to Wales Street and all their hard work this year.

There will also be the usual assembly on Monday morning as with a number of awards and presentations being made and afterwards a last opportunity to try and reunite lost property with owners on the asphalt area outside the Hall. Most Christmas parties and celebrations are being held on Tuesday with the 5/6 students going to Funfields on the Wednesday.

The Student End of Year reports and information about school staffing and grade allocations will be provided next Tuesday 20th December. These will be sent home with the children, however, if students are away these will be posted to a home address. Information regarding school fees for 2012 will be in the report envelopes also.

Over the holiday period there will be extensive works in the ground floor of the main school building with administration and corridor areas of the Speight Street building being upgraded with the relocation of the Photocopier and creating of a new meeting/office space. There will also be extensive refurbishment of the St David Street Building with painting, new blinds and air conditioners It has been planned that all this work will be completed by the commencement of the 2012 school year.

Next Monday night the 19th December will see the holding of the Year 6 Graduation for the exiting Year 6 students. It is always wonderful to see the confidence and optimism they have for their future and the supportive role of parents in their growth and development. Congratulations to these students for their hard work and willingness to learn and to the teaching staff that have helped them grow into such confident young individuals. For our exiting Year 6 and their families leaving our school community this year I wish them every success in the future and hope that they are all able to enjoy successful and happy secondary experiences. I would also like to wish other students leaving at the end of the year all the best for the future. I wish everyone a safe and enjoyable holiday and a very Merry Christmas and Happy New Year.

School Commencing Arrangements 2012
The School Office will reopen on Monday 30th January 2012. The school will recommence for students in Year Levels 1-6 on Thursday 2nd February 2012. School begins for Preps the following day on the 3rd February and there will be a Parents Welcome Morning tea at 9.15am in the Hall.
Bushwazee
The Bushwazee event was held on Monday this week and it was wonderful to see how it brought the school community together. I think the students took great pleasure in demonstrating their new dancing skills acquired during the day to their parents and guardians and sharing these with family members. Congratulations to everyone who came along and supported the event with your ‘picnic tea and dancing shoes’ and it was a great opportunity to relax and enjoy Christmas and catch up with family and friends.

Parent Helper Morning tea
Tomorrow a ‘Helpers’ Morning Tea will be held in the Hall at 11.00am to celebrate and thank everyone for all their support and work this year. It is wonderful how supportive parents/guardians/grandparents are and their work enables a richer learning environment for students and a greater sense of community in the school. Thank you also to all the helpers who will not be able to attend as your work is greatly appreciated by the staff, students and myself.

WISH THEM A MERRY CHRISTMAS - They deserve it too!!! Donations for Children
I have been approached by two of our school parents, Pamela and Philip Buisson, who are associated with a charity organisation in South America. They have asked at this time of Christmas for parents consider supporting and donating to this charity (see flyer in this Newsletter). Your donations will be sent to communities in South America, mainly to Colombia, where many families in the country side are suffering as there are very little jobs opportunities for parents, poor support from the government and some areas have been affected by ‘La Nina Phenomenon’ and change in weather has flooded more than 50% of farm land. These Children (0 – 15 years old) will appreciate if you can donate:

- Summer Clothes: shirts, pants, shorts, girl dresses and skirts.
- Shoes for Summer.
- Small to medium size toys: dolls, cars, small balls, etc...

NOTE: Make sure that toys and shoes are clean and in good condition; and clothes are washed and folded.

COLLECTION POINT: Drop Donation at school reception.

AIR FREIGHT: You can also donate money, so that they can “air freight” all donations by the end of December (Call them on: 0419 586 637 for money donations). Their goal is to bring smiles to children living in most affected communities, by providing them some Toys, Clothes and Shoes that parents cannot afford to buy. They will appreciate any support and donations that you are able to make and are hoping to bring some happiness to as many children as possible for Christmas.

School Structure for 2012
Last week I indicated that the school structure had been finalised for next year with 23 classes grouped into 5 Professional Learning Teams (PLT’s). There will be four straight Prep classes, seven 1/2 Year level classes, six 3/4 Year level classes, four 5/6 year and two 5 level classes (see table below). You will also receive information regarding your child/ren’s class teacher next Monday inside the sealed envelope with the student end of year report as this process will be completed by then.

Wales St PS 120th Anniversary Book & Celebrating 120 Years of Music at Wales Street DVD
PRE-Xmas Sale of both the Wales Street Primary School 120th Anniversary Book and Celebrating 120 Years of Music at Wales Street DVD are available at a special sale price of $20 available from the school office until Wednesday 21st December.

Financial assistance for parents/guardians with students commencing Prep or Y7 in 2012

Education Maintenance Allowance (EMA):
The Education Maintenance Allowance (EMA) is provided by the Victorian Government to low-income families to help with education-related costs. If you have a child under 16, and hold a valid Health Care Card, Pension Card, or are a foster parent, you may be eligible to receive the EMA. The allowance is split evenly between the parent and the school, and is paid in two instalments, one in March and one in August.

The parent portion is often used for uniforms and excursions, while the school portion may be used for expenses such as textbooks, stationery and special programs. You can elect to have the parent portion of the EMA paid into your nominated bank account or receive a cheque. In 2012, the total annual amount is $235 for primary students and $470 for secondary students - these amounts are split evenly between the parents/guardians and the school.

School Start Bonus:
The School Start Bonus is provided by the Victorian Government to assist low-income families with the costs associated with their child starting Prep or Year 7 at a government or non-government school. If you hold a valid Health Care Card, Pension Card, or are a foster parent, and you have a child starting Prep or Year 7, you may be eligible to receive this one-off $300 payment.

The School Start Bonus will be paid by Electronic Funds Transfer (EFT) into your nominated bank account in late January 2012. The School Start Bonus is separate, and additional to the Education Maintenance Allowance (EMA).

How to Apply: Contact the school office to complete an application form for the EMA/School Start Bonus.
Closing Date: Parents/guardians with prep or year 7 children commencing in 2012 need to lodge an EMA/School Start Bonus form before 15 December, 2011. For late enrolments, applications will be accepted up until 29 February 2012. For more information about the School Start Bonus and the EMA, visit: www.education.vic.gov.au/aboutschool/financial/

Education Tax Refund:
The Education Tax Refund is a Commonwealth Government tax refund to help with the cost of educating primary and secondary school children. Eligible parents, carers, legal guardians and independent students can be reimbursed for half the cost of items such as computers, educational software, textbooks and stationery. For more information about the Education Tax Refund, visit www.educationtaxrefund.gov.au/

Goodbye Wales Street

I would like to thank the students and parents for their support and friendship over my time at Wales Street Primary School. I have made great friends, taught amazing children and have never stopped learning from my students and colleagues. It is hard to say goodbye, but it is time to move on to a new school. I have had a wonderful 19 years at Wales Street and will miss everyone.

Thank you again everybody and all the best for the future. Have a Merry Christmas and a Happy New Year.

**On behalf of the Events Committee...**

**Thank You**

To all the students, parents, staff and business that supported the school by helping to raise funds,

Thank you!!

To all who helped throughout the year to organize events and to those who assisted, thank you. Without your help it would not be possible to implement aspects of the Masterplan in particular: the relocation and establishment of new playground and play equipment, and the establishment of the veggie garden.

Raising funds enables the children at Wales Street to enjoy and utilize equipment that they might otherwise not have access to....

Everyone’s help is always appreciated and the benefits are enjoyed by the students!!!

Events for 2012 are set, and we will be begin the drive with the schools most major social fund raiser: The Fete 24th March 2012 ... So mark it in your calendar, please save any unwanted gifts and preloved "things", keep an eye out for any businesses that may wish to donate goods or services, any support that is offered is appreciated!

On that note... Merry Christmas, Happy New Year and Fun filled holidays to all!

**P.E NEWS**

It's been a big finish to the year in term 4 sport, with 120 students from grades three to six competing in the District Triathlon and nearly as many competing in our Wales Street PS house swimming championship. We had some great results in inter-school sports with the mixed Rounders and Bat Tennis teams winning the district competition and the girls Rounders team coming runners up. We also had a number of students represent Wales Street PS in the divisional, regional and state athletics championships. Finally we had five grade 56 teams participate in the first district Kanga Cricket day at McDonnell reserve. While in PE students developed their fielding, striking, throwing, catching, agility, attacking, defending and co-operative skills in a range of sports and activities including: cricket, volleyball, rounders, t-ball and touch rugby.

**Coles Sports for Schools**

A big well done and thank you! to everyone who contributed to our Coles sports for schools voucher tally, the final count was just over 63,000 vouchers! A fantastic effort from the whole community! The equipment has been ordered and will be delivered early in 2012.

Thanks Anna de Vos - PE Coordinator

Hello Everyone,

It’s so close isn’t it? I can hear all the festivities! “Jingle Bells, Jingle Bells....” As an end of year newsletter, I thought I’d share two things with you. Some facts and figures, and then some fun.

First to the facts/figures: - Did you know that this year alone I have had 2,400 recorded visits by students? Amazing isn’t it? (That doesn’t count children who had tiny tiny things –like needing a bandaid for a blister.)
* Of these children there were approx 129 requiring ventolin for their asthma,
* approx. 213 children were sent home unwell or injured.
* Illnesses ranged from tonsillitis, slapped cheek, ear infections, Gastroenteritis, viral non-specific fevers, chest infections...the usual crew!
* Injuries included a range of bumps to the head, scratches, scrapes and lacerations with the occasional (5) fracture.
* The worst term for illness was Term 3- the winter months of course.
* An Ambulance was called twice (with thankfully good outcomes in both instances).
* And finally.....I use about 300-400 bandaids a TERM! Crazy but true. ...Actually I think I used more than that this term....

This year I organized lectures for the staff, gave a number of lectures myself, organized excursion and camps First Aid, collaborated with our Welfare Officer, organised staff immunizations, wrote weekly informative newsletters, reviewed Emergency protocol/procedures, completed First aid policies, involved in Occupational Health and Safety measures, reviewed and updated all First Aid equipment, and co-ordinated our “Go For Your Life School ”application, and so much more!

**Most importantly** all of the above Registered Nursing Care, was brought to you, and your children, by **YOU** the parents of Wales Street Primary School. Thank you. All of you make this work and care possible.

I’m also very thankful to all those lovely parents who have assisted this year by doing the Laundry for the First Aid Room and for giving so generously any clothing needed.

I hope you all have a lovely Christmas and Holidays. May it be restful, fun and full of happiness.
Take care until next year.

Catherine Fisers - School Nurse

- Now to the Xmas fun bit! This cut out snow man and attributes has been carefully selected and approved by a preppie. Very important to have his eager nod of approval I think.....enjoy this on Christmas day when little hands want to be busy...
**TIP:** You might want to glue your snowman onto cardboard to make it stronger.

**Instructions:** Using scissors carefully cut around the snowman and dress up parts. Place the cut-outs on your snowman. Use blu-tack to hold the parts in place.
WISH THEM A MERRY CHRISTMAS
They deserve it too!!!
