FROM THE PRINCIPAL….

Dear Parents and Guardians,

School Fete and Working Bee
The School Fete is to be held this Saturday 24th March and we are all hoping for good weather. There is a real buzz of activity around the school as the big day approaches. It is the school’s major fund raising event for the year so come along and enjoy yourselves and support the day. The funds raised are used to improve the school grounds and great improvements have been made in the past few years thanks to previous efforts.

How hard parents have been working was brought home to me about 9pm last Sunday. I had to call into school late and found a group of parents in the Clyde street building madly working at making hampers for the fete. Their commitment to make this an outstanding event is extraordinary. Please if you are able to help, let the Fete Committee members know or contact the office and leave your details.

School Working Bee
Last Sunday a wonderful working bee was held and a tremendous amount of jobs were completed. In particular the repairs to the gravel path, clean up around the school buildings and landscaping works. Thank you to everyone involved as without your help and assistance these works would not have been completed. Congratulations also to the Facilities Committee and everyone involved as the grounds are greatly improved.

End of Term Next Week and Reminder about 2.30pm Dismissal
Next Friday week will see the end of a busy first term and it will conclude with a final term assembly at 2.15 pm at the Flagpole with all students being dismissed at 2.30pm. Please note the earlier dismissal time.

Annual General Meeting and Establishment of New School Council 2012 – 2013
The School Annual General Meeting will be held at 7pm next Wednesday 28th March by the current School Council. Afterwards at 7.30pm a new School Council will be formed and an executive elected. School community members are most welcome to attend. Please notify the school office before Tuesday so planning arrangements can be made.

Crime Prevention Tip for the month!

Theft of Motor Cars and Theft From Motor Cars.
Always leave your valuables out of sight in your cars - GPS units, mobile phones, CD's, even coins and cigarettes. Most of these offences are opportunistic, so "out of sight, out of mind".
Always lock your car door, even if your car is in your driveway or garage, and especially at the petrol station when you are filling up with fuel.
Always try to minimise your chances of becoming a victim of crime. Let's make it hard for the offender!!

EYEWATCH – DAREBIN POLICE SERVICE AREA

Darebin Police have launched a facebook page to provide the community with timely information, request your assistance with solving crime in your area, highlight the good work that is performed by our police officers and inform our community of police involvement in local events. We encourage you to please follow along and we can be found at:

Hello everyone,

It’s “Ride to School Day” on Friday!! Yeah!
We can walk, skip, hop, run and ride to school for a lovely start to the day.
You may find you like it so much you want to do it every day. Or maybe you already do and it’s an excellent opportunity to celebrate the fact. Either way there will be a representative from The Ride to School group at Wales street, as well as stickers and lanyards to give away by our fabulous teachers and their grade 5/6 helpers.
Meet Toby, Jo and Derek at the Flagpole to get your stickers or lanyards!!

“In the 1970’s, 80% of school children were active on the way to school.
Today, only 20% experience the joy of getting fresh air on the school journey.
National Ride2School Day provides an opportunity for Australian students, parents and teachers to give riding, walking, skating or scooting to school a go, while celebrating the regular walkers and wheelers”

It’s all about feeling good and active.

Also a special message from Sunsmart.....Hello!
Although Term One finishes at the end of March (congratulations - you’ve almost made it!), the need for sun protection continues until the end of April. The sun’s ultraviolet (UV) rays are still at damaging levels. Check the SunSmart UV Alert daily at www.sunsmart.com.au for local sun protection times and ensure that students use a combination of the five SunSmart steps during those times.

Slip on cool, covering clothing that covers as much skin as possible.
Slop on SPF 30+ broad spectrum sunscreen. Make sure you apply a generous amount and keep reapplying it throughout the day. It normally only lasts around 2 hours. Make sure to check the use by date.
Slap on a wide brimmed hat that shades the face, neck and ears (Baseball or peak caps don’t provide adequate protection).
Seek shade - try a shady tree, verandah, pergola or shade sail!
Slide on some sunglasses (if practical for your setting). They should be labelled AS 1067 so you know they are UV protected.

Please remind your students to continue their SunSmart habits during term one holidays and continue your sun protection routine into term two by checking the UV Alert daily in the weather section of the newspaper, on the free SunSmart app for smart phones or on the SunSmart website and be sun safe not sorry!

Until next week... “riding away on my push bike honey.”

WSPS Fete Cake Stall

The WSPS Fete is this Saturday 24th March. If you love to cook there will be plenty of people passing by the school who love to eat home baked treats.

Cake boxes, plastic bags and ingredient slips have been sent home with students earlier this week, so now it’s time to start filling them with yummy cakes, biscuits or slices. Extra cake boxes are available from the office if you need them.

It is preferred that you bring your baked goods to the School Hall on Friday 23rd March between 8:30-9:30am or 3:00-4:00pm (please do not send anything with fresh cream on this day). OR you can deliver your baked goods directly to the Cake Stall (located in the School Hall) on the day of the WSPS Fete.

Volunteers are still needed to help with the stall and so if you are interested please contact Candy 0407 204 345.

Gazebo Gang

We need volunteers to help set up gazebos on the day before the Fete -Friday 23rd March- and pack them up on Saturday at the end of the Fete.

If you would like to volunteer, please contact Peter Carton 0418 313 940
