FROM THE PRINCIPAL….

Dear Parents and Guardians,

Commencement of Term 4
Welcome back everyone; I hope you all had a wonderful break. If you are a Sydney Swans supporter life has been particularly enjoyable over the past week and my commiserations to Hawthorn supporters. Schools are not as fiercely competitive but there are lessons there for everyone about the importance of having a clear goal, strategic and long term planning, teamwork, hard work, determination and the development of skills in order to reach your goals and in being able to ‘be the best you can be’.

Traffic and Car Parking Around the School
Again this has been raised with me as a great area of concern as some people are double parking, being impatient and not slowing down around the school at the key drop off and pick up times. Parking is often much easier in Clyde Street than in Speight Street so please consider others as everyone is in the same situation of either trying to find a park as they are dropping off or picking up students.

Change of Assembly Times
Due to the 5/6 Swimming program arrangements for this term the Whole School Assembly time has been moved from 9.00am Monday Morning to 3.00pm Friday starting next week.

Planning for 2013
I have now received the schools Indicative Budget for 2013 and can commence the process of developing a staffing profile for the school for next year. During this term I will be working with staff and School Council to finalise class arrangements, set budgets and plan activities for next year.

This is how the process works. The ‘Indicative Student Resource Package (SRP) for 2013 from DEECD of over 3.65 million dollars. This may sound like a lot of money but it is to cover salaries, many of the education infrastructure costs (such as computers, printers), facilities upkeep, energy running costs, water etc. The $ figure is linked to enrolment but is influenced by inflation, pay rises, State Government policies and initiatives. Unfortunately, the funding has only been increased by 1% for 2013 which is well below inflation.
I will now start working with staff and the School Council Finance Committee to plan and finalise staffing, classes and budgets to have this completed by the end of the year. Staffing will be finalised as early as possible as I complete the process of grade formation with staff. For 2013 there are a number of staff positions that will need to be advertised from short term 1 year contracts to ongoing positions. I am anticipating that next year we will conduct 23 classes and have an enrolment of approximately 560 - 565.

Enrolment Intentions for 2013
Apart from Year 6 students, could parents/guardians who currently have children attending Wales Street and are planning to transfer at the end of this year please notify the school office by Friday 2nd November. It is vital that we have accurate information as it greatly influences planning of class numbers and staffing for next year.

The Process of Class Formations for 2013
As part of this process parents are now being invited to write to me by Friday 8th November to indicate information and aspects such as friendships or relationship issues that should be taken into account by staff in forming classes. Please address the letter to me Christopher Sexton Principal Wales Street Primary School and headed “Parent Request for Student Placement Considerations 2013”.

Industrial Action This Term
The Department is currently involved in enterprise bargaining with the Australian Education Union (AEU), the Community and Public Sector Union (CPSU) and United Voice in relation to their logs of claims covering employees in the executive class, the principal class, the teacher class, the paraprofessional class and the education support class.

As part of the unions’ industrial campaign the Northern Region (Wales Street) has been scheduled for a half day morning Northern Regional stoppage on Wednesday 31st October form 9.00am-1.00pm. Hopefully this will not occur as the industrial campaign will be concluded by then but I will keep you informed.

Chinese After School Program
I am pleased to inform you that our After School Chinese Program is now continuing this term (see this Newsletter for further details). Congratulations to the parents who expressed their strong support for the program to continue.

NAPLAN Data for 2012
The school has received the 2012 NAPLAN data information and individual Student Reports have been sent home this week with the students in year levels 3 and 5. Please contact the school if you have not received your child's report. It is interesting data as it provides a snapshot of student progress although it does focus on a narrow range of the curriculum. Please bear in mind that the NAPLAN results are just one set of a range of data indicators that teachers use to make judgements about student progress.

In the table below I have completed a comparison of our NAPLAN results since 2008. The results are pleasing and do show a steady progress of improvement over this time. Wales Street students now are performing well above the Victorian State mean in all aspects at both Year 3 and 5 and also in a number of measures also above Similar Schools (e.g. Fairfield, Ivanhoe, Ivanhoe Girls Grammar, Balwyn North, Middle Park and Wesley). This is particularly satisfying as over the past 5 years the ‘Similar Schools’ to Wales has been greatly increasing and reflecting much higher expectations of student achievements.

Regional Athletics Completion
Congratulations this Week to all our school competitors at the Athletics Competition held this week on Tuesday at Meadow Glen. Although the completion was extremely high, a number of students were successful in going on the Regional level later this term. Congratulations to everyone involved and thank you to Anna and the staff and parents who supervised and helped out on the day.
Northern Zone Chess Championships
This week Wales Street hosted the Northern Zone Chess Championships with thirteen of our students participating; Bradley Shears, Harry Loulakis, Ari Koutsoubos, Stavros Vlahopoulos, Lewis Tan, Chris Anastasiou, Oliver Manterfield, Isaac Bartley, Jules Robinson, Jasper Brown, Leo Tieu, David Macfarlane and Abbey Bowland. Congratulations to everyone who participated with Bradley, Harry and Ari gaining distinctions and Stavros and Lewis credits on the day in a very high standard of competition. Five of our students have now qualified for the Chess Victoria Primary Open Semi-Final on the 29th October; Stavros Vlahopoulos, Bradley Shears, Chris Anastasiou, Harry Loulakis and Ari Koutsoubos so we congratulate them and wish them all the best.

School Sun Smart Policy Hats now required
A reminder that it is now after the 1st September and under the school Sun Smart policy all students should be wearing broadbrim hats. The Wales Street Primary School Sun Smart policy has been developed to ensure that all students and staff of the school are protected from skin damage caused by harmful ultraviolet rays of the sun see http://www.walesstps.vic.edu.au/image/ak9t/WSPS_Sun_smart_policy.pdf

To help implement this policy we ask parents to assist by ensuring their children have a labelled school broad brimmed or bucket hat (with a brim of at least 6cm) which protect the face, neck and ears whenever they are outside (recess, lunch, sport, excursions, camps and the School Aftercare program) from September 1st until May 1st. Could parents also:

- Encourage your children to wear sunglasses.
- Encourage the children to bring and apply a broad spectrum water resistant sunscreen, SPF 30+.
- Encourage the use of available areas of shade for outdoor activities, the drinking of water and appropriate play activities on hot days.
- Act as role models by practicing Sun smart behaviour.

Report on Current Strategic Plan
Late last term the reviewer, Ruth Sloan, completed the Review of the School’s 2009-2012 Strategic Plan and presented her Report to School Council at the August meeting. This Report can be obtained by school community members from the school office so if you are interested please contact the school office.

The next step is now using this Report to commence the process of developing our new school Strategic Plan to cover the period 2013-2017. I am therefore inviting parents to attend a meeting at the school on Wednesday 17th October from 7:00-8:30pm to discuss priorities for the new Plan.

To assist in catering please return the form below by Monday 15th October. Thank you.

Christopher Sexton
Principal

**ATHLETICS REPORT**

This week was very exciting as we had 11 students represent Wales Street in the Darebin Division Athletics competition at the Meadowglen Athletics Track. They were: Jo Vicino, Marcel Laidlaw, Callum Delaney, Christos Theodorakopoulos, Nicholas Graham, Max Reid, Chella Barrow, Stephanie Jones, Lucja Boyd-Singer, Sarah Hunt and Ellie Christopoulos. The students competed well in all their events, with 8 of them making it through to the Northern Region Championships next Wednesday. Well done to each of our students who represented our school with great sportsmanship and good luck to everyone competing next week!

As always Term 4 is going to be a busy one in PE, with the House Swimming carnival coming up on Monday 29th October. We will be inviting all confident swimmers from grades 3-6 to take part in the carnival for house points and the opportunity to represent Wales Street next year in the District Swimming sports.

We also have the district Triathlon for Grade 3-6 students on Friday 16th November. Both these events will take place at the Northcote Aquatic Centre.

**Art and Music News**

Welcome back to term 4.

Next week there will be another instrumental music concert for students who learn privately outside of school hours. The concert is on Wednesday 17th of October at 5.30 in the hall.
All are welcome to attend and view more of the amazing musical talent that we have at Wales Street!

**Please Donate!**

This term we are seeking donations of household packaging that can be recycled and reused. If you have cardboard containers, glass jars, shoeboxes, plastic containers (margarine containers with lids would be fantastic!), bottle tops or card/paper tubing rolls please bring them to Georgina in the art room. Thank you to those who have already donated items so far.

- No items that may have contained nuts
- No toilet rolls
- Please ensure packaging is washed where appropriate (especially dairy)

We would greatly appreciate further donations.

SCHOOL AGE CARE (SAC)
ANNUAL RE-ENROLMENT FOR 2013

We have reached that time of the year again where families need to re-enrol for 2013. Parents must follow the enrolment procedure in order to ensure their child is registered and don't miss out on a place, for next year: Under license conditions set out by the Children's Act and Regulations each child must have a separate “Enrolment Form” with information that is up to date.

Re-Enrolment for 2013 will be conducted during Term 4 commencing Monday 15th October, so that we can commence processing data and planning for next year.

Families who currently use the program and require care for next year must also re-enrol by coming into the program and checking and updating their current enrolment form and their details.

Having checked current enrolment details with Cangie or Vanessa - parents/guardians will be required to sign a form stating that all their details are correct and up-to-date.

Any changes to the current Enrolment Form must be recorded on a “Change of Details Form” which is available from the service. It is crucial that the service have the correct information, particularly contact numbers, in case of an emergency involving their child/ren, special medical and/or dietary needs, and custody/guardianship arrangement.

Please Note: Our records are kept separately from the School's records, so it is important to advise us of any changes - such as address, phone numbers etc).

Existing families who have younger children commencing “Prep 2013” who have returned an enrolment form/s will still be required to come in and check the older sibling’s enrolment form which is currently on file.

BOOKINGS FOR 2013
Families will then need to re-book days for next year by completing a “Booking Form”, this will ensure families do not miss out on a place. A new “Booking Slip” must be filled out for the following year, even if the days required are the same as this year.

If families don’t not know which days will be required for next year, then a booking slip will need to be returned immediately when school commences in February 2013 to secure a place.

Having checked enrolment details families will then be required to pay an enrolment levy of $10 (cash only) per family towards the cost of administration.

Only families, who have checked and paid the levy, will be registered to use the program in 2013. A dated receipt will be attached to the enrolment form acknowledging payment of the levy.

All places will be offered in line with Priority of Access and order of date received.

Families who have never used the program before and will require care for next year can collect an Enrolment Form and booking slip from the main office or from the Aftercare program.

If families do not re-enrol for 2013, then the program will assume that you will not require care for next year.

CURRICULUM DAY (MONDAY BEFORE MELBOURE CUP DAY - 5TH NOVEMBER)
Monday 5th November is a Curriculum Day. The School Age Card Program will be available for children who need care for this day.

Bookings for Curriculum Day are essential and can be made on 9480 3896, email oshc.wales.street.ps@edumail.vic.gov.au or in person.

If families have a permanent booking for Mondays and do not require care for the Monday before Melbourne Cup will need to let SAC staff know of the cancellation.

BOOKINGS AND CANCELLATIONS ARE ESSENTIAL, WE NEED TO HAVE AN INDICATION OF NUMBERS FOR THIS DAY FOR STAFFING PURPOSES AND PROGRAMMING.

The cost for the day is $35 per child, less if you receive Child Care Benefits. The program will operate from 7.00 am to 6.00 pm. The children will need to bring a morning and afternoon snack, lunch and a drink bottle.

ACTIVE AFTER SCHOOL SPORTS
We have booked a table-tennis coach for Fridays and a cricket coach for Thursdays. These two programs will operate for 7 weeks during Term 4. The sessions are from 4.15 pm to 5.15 pm and are free to children who attend After Care.
Hello Everyone,
I hope your holidays were fabulous! Here we are in the Sunny Term 4 and I’m hearing all about every ones holiday fun-so many different experiences to be had.

Today I introduce you to......

About the Gutsy Challenge

The Gutsy Challenge is a fundraiser for Gastro-Intestinal (GI) Cancer research that involves students eating 2 fruit and 4 veg a day for 1 week. It runs from March – November each year.

The Gutsy Challenge began in 2010 and now involves thousands of students from hundreds of schools in Australia. It is the largest national healthy eating program for Australian children. The Gutsy Challenge gets kids eating healthy food and puts food nutrition lessons into practice.

There are loads of cool prizes to win for students who fundraise including digital key rings, movie tickets, iPod nanos, Nintendo DSis and more.

You can take the Gutsy Challenge as a school activity, or choose to take the Challenge by yourself or with your family. Give fruit and veg a go! Sign up now to take the Gutsy Challenge.

Why fundraise for GI Cancer?

GI cancer is the most common form of cancer, in fact 26 Australians die every day from GI Cancers. GI cancers form inside the Gastro-Intestinal (GI) tract. They include bowel, liver, gall bladder, pancreatic and stomach cancer. You can read more about GI Cancer here.

When you take the Gutsy Challenge to eat 2 fruit and 4 veg a day for 1 week, the money that you raise will help the GI Cancer Institute fight against this disease. The Gutsy Challenge is run by the GI Cancer Institute which is a registered Australian charity organization. ABN 34 093 854 267. Charity registration number 17120

What a fantastic way to look at our fruit and vegetable intake! I had a look at the blog on the gutsy challenge site, there are many recipes, garden ideas and fun stuff for kids to look at and learn from. Also the independent way a child can manage getting sponsors whilst eating healthily has got to be a great and positive learning experience. THEN actually winning prizes (like the alarm clock below) has got to be the big bonus –how proud would we be?

Digital Alarm Clock Raise $75 and you can claim a Digital Alarm Clock (similar to one pictured)

Go get some fruit and veg!

On a more medical note, there has been a report of Chicken Pox in the 1-2 area; I’m afraid we are in the Chicken Pox season. The Royal Children’s Hospital website has excellent information for you to update yourself on this particular virus: http://www.rch.org.au/kidsinfo/fact_sheets/Chickenpox_Varicella/

Until next week, enjoy your fruit and veges! Take care.

Catherine Fisers - School Nurse(R/N)
It’s that time of year when a dedicated group of parent volunteers pull together the Wales Street happenings of the past year with the production of the WSPS ANNUAL YEARBOOK. In readiness for printing and distribution to each of our students and staff, an enormous amount of work occurs ‘behind the scenes’.

For those of you new to Wales Street, the aim of the YEARBOOK is to capture the true spirit of not only our wider whole school experiences, but also everyone involved within the day to day running of our community. This is represented through photos, exhibits of classroom works and print media.

As you can appreciate, coordinating and delivering such a document is not easy, and often relies on the input and assistance from a number of sources and individuals. While we have a core group who work on the YEARBOOK, we are seeking interested VOLUNTEERS who may be able to assist us in a range of specific short term tasks. Among these are:
- Helping a classroom compile their double page spread (if needed)
- Taking photos of a specific activity for inclusion in a page
- Compiling a special page of interest such as ‘Graduation Page’ or ‘House Athletics’ etc.
- Confirming editing changes or other details with classroom and specialist pages
- General tasks including photocopying, chasing up information, helping with deadlines

Experience is not required beyond having:
- A happy, positive, can do attitude!
- An interest in being creative
- Access to a computer
- If taking photos – an ability to ‘capture the moment’ clearly.
- Free time – school hours OR after hours – depending on your circumstances
- Students also welcome to assist

You may specify a particular time you have available and we will try to assign a task that fits in with you, or you may choose to be contacted when a task needs doing. We are very easygoing and aware of time constraints for families. We appreciate any help big or small. Thank you.

If you think you have what it takes, please call or email Melinda – 0404 889 347 melinda.story@bigpond.com
