

# WALES STREET PRIMARY FETE

SATURDAY 19TH MARCH, 12 - 6PM  
FREE OUTDOOR CONCERT 6-7PM

ISSUE FOUR 29TH FEBRUARY

THREE WEEKS TO GO!

## SIGN UP PORTAL OPEN!

Our Fete relies on all Wales Street Families volunteering for a shift or two, so it's a big deal when our volunteer sign up portal goes live.

There are a total of 520 x 2 hour shifts from Friday Night set up, during the fete and Sunday pack up, with approximately 450 families so we need all families to find the time to volunteer for at least one slot!

There are opportunities to volunteer before, during and after the fete—specifically:

- ◆ fete set up (Friday afternoon/evening);
- ◆ stall set up (Saturday morning 10am-12midday)
- ◆ staffing a stall (various shifts between 12midday-6/7pm)
- ◆ fete pack up — Saturday evening 7pm-8pm
- ◆ fete pack up — Sunday morning 10am-12midday

Remem-

ber there are many different stalls and they all need a hand—so you can learn something new or do something you are interested in.

To sign up or check out what shifts are available go to:

**NO EXPERIENCE  
NECESSARY!**

## AMP THE HAMPERS!

Themes for hamper contributions include:

- ◆ Gourmet Food and Kitchen Items
- ◆ Beverages and associated items
- ◆ Pamper/Spa Products, and
- ◆ Gardening

... or any other new items you can donate.

There's no need to wrap them, just send it to school with your child to pop in one of the 'Storage King' donation boxes. We really appreciate it. Every item counts!!!

## THE BODY ART STALL WANTS HELPERS!

If you enjoy the satisfaction of an eager upturned little face breaking into a beaming smile as they discover your face-painting transformation, or missed your calling as a tattoo artist, then this stall is for you.

We do face painting, glitter tattoos and animal-friendly hair feathers. But it needs lots of hands – we need 9 people on per hour to keep the customers happy (and make lots of money for WSPS!) so please consider signing up now on Sign up Genius.

You really don't need to be an amazing artist (though that's always a bonus!), if you've enjoyed painting your own children's faces and have lots of enthusiasm, we provide everything and have basic templates ready there to copy! Glitter tattoos and hair feather are also easy to master, and we'll run a practice session nearer the fete date.

We also need people to take money and keep the queues in order, so please consider volunteering! Any questions? Reach out to [Harriet and Alicia via the events email](#).

## EAT DOUGHNUTS MOVE STUFF. DRINK BEER

Want to escape the kids for a couple of hours? Like beer? Have a soft spot for doughnuts?

Well, the **2 DOZEN DADS CREW** are on the look out for well, um, 24 dads to help us . . . eat doughnuts, move stuff for the fete then drink beer.

We need just one 2 hour shift from each dad . . . to be filled with merriment, mirth and manual labour.

Kind of like being a roadie for a 'Rolling Stones' world tour minus the travel, excitement and Keith Richards.

So look, we really need your help.

Sign up on Sign Up Genius (see the link on the front page) and get amongst it. For more details contact Justin (0437 368 609) or Ian (0410 340 677)

## GET ON YOUR BYK?

Some exciting items are going to be available in the Silent Auction this year. Last week it was a relaxing weekend to look forward to this week we want to highlight the very awesome BYK, valued at \$375 which has been donated by the Melbourne Bicycle Centre on Queens parade Clifton Hill ([melbournebicyclecentre.com](http://melbournebicyclecentre.com)).

It's the sort of thing which might inspire you to join the [Wales Street Family Bike Club](#), which organise family friendly bike events and can provide you with all sorts of information about the Darebin Council and Bicycle Network.

[Heidi Munroe and friends](#) will be in the Silent Auction hall on the day with more information on the Club and tips to safely get on your bike!

## BIG THANKS METRO RV

Looking for a great way to see the country, spend time with the family and avoid mucking about with tents?

Metro RV is a local business, the family are members of our school community, loyal supporters of the fete . . . and purveyor of fine caravans/recreational vehicles—both new and second hand. You'll be able to see one of their 'vans on fete day—or if you can't wait then get up to 6 Albert Street Preston or visit [mrvs.com.au](http://mrvs.com.au)
