

2019 Parent Payment Charges

Wales Street Primary School makes every effort to keep the cost and number of items that need to be purchased to a minimum. We also try to ensure that the costs are affordable for all parents. If you will have difficulty making payment please make an appointment to speak with Christian Woodcock (Principal) or Pina Ioannidis (Business Manager) to discuss possible support options and flexible payment arrangements.

School Council has ensured that the request for payment of a school charge and voluntary contribution meets the Department of Education and Training's guidelines on parent payments. All information about your financial circumstances, payment arrangements or status will be kept strictly confidential.
