## POLICY

### 1. School profile

Wales Street Primary School was established in 1891 and is located approximately 50 kilometres north of Melbourne. We have 599 students enrolled from Foundation to Grade 6 and 50 school staff members including a school nurse, a wellbeing coordinator and disability and inclusion coordinator.

Our school is an inner city school, and we are surrounded by a supportive community. Most students that attend our school live locally and tend to walk or ride their bike to school. Wales Street Primary School has developed close ties to the local community and enjoys support from our local shops and community services.

We are proud of our diversity and inclusive school community.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

### 2. School values, philosophy and vision

Wales Street Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, responsibility and kindness at every opportunity.

Our Statement of Values and School Philosophy is available on our website. [Wales Street Primary School](http://WalesStreetPrimarySchool)
